For: OPTICAL MODULES AND METHODS OF
MAKING THE OPTICAL MODULES

This is a decision on the petition received on November 13, 2003, to withdraw the holding of abandonment in the above-identified application.

The above-identified application became abandoned for failure to reply within the meaning of 37 C.F.R. 1.113 in timely manner to the Notice of Missing Parts of Application mailed September 25, 2001. Which set a shortened statutory period for reply of two (2) months. Accordingly, this application became abandoned November 27, 2001. The notice of abandonment was mailed on October 10, 2003.

On November 13, 2003, the office received a communication from the attorney of record. Enclosed was an acknowledgement that the attorney responded to the Notice of Missing Parts on January 24, 2002.

The evidence submitted is sufficient to establish that the petitioners responded to the Notice of Missing Parts on January 24, 2002.

The petition is hereby Granted.

The application has been completed for release to Technology Center 2872.

The office regrets any inconvenience this may have caused the client.
